2. There will be a request for final proposal revisions once negotiations are complete.
3. Attachment A is a pricing sheet to be used for final proposal revisions against Category 3, Occupational Safety and Health Services. It is amended to delete clin 0009 - Industrial Hygienist Technician, 0018 - O2 Meter, 0019 - Air Velocity Meter, 0020 - Light Meter, 0021 - Noise Meter, 0022 - Air Sampling Pump/Charcoal Tubes, 0023 - Lab Analysis/Charcoal Tubes/VOCs, and 0024 - Hygrothermograph. In final proposal revisions, costs for these services or equipment shall be passed to the government as part of the wage for the specialist that utilizes the equipment or is responsible for the service. Expenses for O2 Meters, Air Velocity Meters, Light Meters, Noise Meters, Air Sampling Pumps/Charcoal Tubes, Lab Analyses/Charcoal Tubes/VOCs, and Hygrothermographs will not be accepted as a pass through charge against clin 0027, Markup for Overhead and Profit.
4. For all categories, to account for inflation in final proposal revisions offerors may submit one pricing sheet for each year of the contract delivery period. Final proposal revisions submitted in this format will be evaluated by determining the average offered price per category/clin and multiplying the average price by the number of applicable units for the five year delivery period (hours, samples, days, or percentage).
5. A revised Clause M28.04.100, BASIS FOR AWARD (ENVIRONMENTAL) (DESC Nov 2000) is included as Attachment B.

M28.04.100 BASIS FOR AWARD (ENVIRONMENTAL) (DESC NOV 2000)

(a) Award of any contract resulting from this solicitation shall be made using source selection procedures. Proposals submitted in response to the solicitation will be evaluated by a team of Government personnel and the final selection will be made by the Source Selection Authority.

(b) Proposals will be evaluated using the following factors, listed in descending order of importance:

(1) Technical/Management: Within this factor, the following two subfactors are the most significant and receive the highest weighting:

- (i) Sample cost proposal for representative projects;
- (ii) Offeror's previous experience.

The remaining two sub-factors are listed in descending order of importance:

- (iii) Project Manager's qualifications; and
- (iv) Corporate technology and innovation.

(2) Past Performance: This factor will be evaluated using information from references provided by the contractor under Clause L201.01.100. The Government reserves the right to consider any additional information on the offeror obtained through other means.

(3) Price: This factor will be evaluated by multiplying the proposed prices in Clause B35 by the estimated number of units shown in the following schedule for the respective line items. The Government reserves the right to award to other than the lowest evaluated price. Travel costs are not included in the Government's estimate; however, standard government per diem rates will prevail.

Note: The estimates provided below are for evaluation purposes only and do not represent any guarantee on the Government's part to order the quantities listed.
